UN60D7000

# Samsung UN60D7000 HDTV product description

The **Samsung UN60D7000** is a 60" 3D 1080p Smart LED HDTV. This model is also known as the UN60D7000LF and UN60D7000LFXZA.

## Samsung UN60D7000 Features

- **3D Capable:** 3-Dimensional TVs add new depth and dimension to create larger-than-life experiences. 3D Active Glasses sync up with the 3D TV to produce 3D images that virtually leap off the screen. Favorite shows can even be transformed to 3D in real time for the ultimate "reality" TV.
- **QWERTY Keyboard:** Includes a QWERTY keyboard on the remote control.
- **Smart HDTV:** Includes cutting-edge TV apps, web browsing, and other online services.
- **Web Browser:** Surf the internet using the built-in web browser.
- **Wi-Fi:** Connect to the internet through your wireless router.
